Reception Learning Letter 18/07/16

Sports Activity Afternoon

We will be having a sports activity afternoon with the nursery children and would really like it if you could come and support us.

Tuesday 19th July at 2:15pm

Please ensure that your child has their P.E. kit in school on the 19th. Also, as the weather is a lot warmer they will need to bring in their water bottle and a sun hat.

Reading books and Homework

This week we will be collecting in all of the reading books. Please can you return any books you have at home and any other toys that you think may have come from school. The Gravesend libraries are running 'The Big Friendly Read' over the summer so have plenty of books for the children to borrow.

We will not be sending any homework for the holidays. However, please ensure your child practices writing simple words and sentences daily. Please also play games involving counting, addition and subtraction.

Thank you!

We would like to take this opportunity to thank you for all the support you have given us this year. We feel that the children have really benefitted from all of your support and involvement with the Parent Workshops, the Learning Journeys, Homework and Reading at home.

Also thank you to everyone who returned the Parent Questionnaires. We really value your feedback and opinions.

Transition into Year 1

The children have really enjoyed meeting their new teachers. Over the past couple of weeks the children have been spending time in their new classes with their new teachers. They have really enjoyed getting to know each other!
