

Dear Parents and Carers

Christmas is now upon us, where did that year go, and we have the first activity for year 4, 5 and 6. Gravesend Grammar School are putting on a production of the pantomime Aladdin and we have been invited to their dress rehearsal tomorrow.

As this is a local activity I do not need to ask for parental permission but I think that it is important that you understand that the children will be walking with staff and TA's to the Grammar School. The performance has some pyrotechnics and also a smoke affects to enhance the production. They will be leaving around 10.00am and will return for lunchtime.

If there are any issues associated with your son or daughter attending this activity please contact the class teacher in the morning.

I hope that this will be a really enjoyable activity for the students and one which I hope will inspire them to get involved in drama activities I have planned next term.

Yours sincerely

M D Moaby
