Dear Parents and Carers

I hope you all received my newsletter, you will see that we are looking to develop the house system to allow us greater competition throughout the school and also to be able to bring children from different year groups to work together.

There will be four houses which are yet to be named but it is important to me that we start to get organised before Christmas. I want to purchase for all students a new PE t-shirt that will be in their house colour and have the school logo embroidered on it. Can you please fill out the proforma below to indicate your child's clothing size.

The sizing is based on average size for age, please indicate your child's details below.

Yours sincerely
