

Dear Parents and Carers

Extra-Curricular activities

We have a number of extra-curricular activities available across the school. I have outlined these in the table below. If you would like your child to take part in one or more of these activities can you please fill in the form below. Activities will start at 15:30 and parents and carers can collect their children at 16:30 (or as specified by the activity organiser). There is no charge to extra-curricular activity.

I am expecting large numbers to take up these opportunities and spaces will be limited. These will be termly programmes and children will be able to carry on with an activity or move to another activity dependent on spaces.

The Gymnastics activity will be supplied by Active Sports Group, a separate letter will be sent out on Thursday regarding this, if you want your child to take part in Gymnastics can you still let us know by returning the slip overleaf.
