Dear Parents and Carers

As you will be aware from previous correspondence I want to place greater emphasis on the house system.

We have allocated all children a house with a different colour namely Blue, Green, Yellow and Red. After consultation with the student council we will name these houses. Whilst allocating children to houses we have done our best to ensure that brothers and sisters are in the same house. If we have made any oversights to this can you please contact Lianne Pond at Whitehill on lpond@whitehillprimary.kent.sch.uk.

The house system allows us to bring groups of children together from across the year groups to take part in different activities and competitions.

I hope the highlight of this will be a whole school sports day in term 6 where the winning house will win the first Annual Trust Award.

Yours sincerely
