Dear Parents and Carers

Miss Trevarrow has chosen to leave the employment of Whitehill Primary School, I am truly sad to see Miss Trevarrow leave as she is a very good teacher that cares deeply about the education of her children. I know this has been a very difficult decision for her to make and wish her all the luck in the future.

Miss Trevarrow will officially leave two weeks into term five, that allows us to provide transitional arrangements for the class to work with their new teacher. Miss Kirk who is already teaching at the school will take over the teaching of this class.

Yours sincerely

Mr Moaby
Headteacher
