Bug Ball Parent Session Friday 27th May

8:50 – 10:00

Instead of parent reading we will be having a parent activity morning where you can create ugly bug sunglasses and decorate a biscuit with your child!

Donations

Thank you for all your donations, we are now collecting plastic bottles of various sizes.

Please can you make sure these are clean before sending them into school.

Shorne Country Park

Please can you make sure you return your Shorne Country Park slip as the children will be going on the first week back after half term.

Mini-Beasts

We have had a lovely term learning all about mini-beasts.

The children have loved learning facts about mini-beasts, creating ladybirds in the clay and going on a mini-beast hunt around the school.

Next term our topic is 'Under the Sea', if you go to the beach or a sea life centre over the holidays, please feel free to add photos to the learning journey as we would love to see these.
