

17th June 2016

Dear Parents and Carers

Sports Day will take place on Friday 24th June.

The Infants' Sports Day will begin at 9.45 and the Junior event at 1.30.

Both will be on the field. Both events will last about 60/90 minutes each.

The event will begin with a lap of honour with the students in their respective houses before they go to their designated area and prepare for their races.

Both events will consist of a number of individual and relay/team races. I have attempted to involve every single child in races. No mean feat when it involves 600 children!

You are invited to attend. Seating and standing areas will be provided on the drive/concrete in front of the school. No parents will be permitted on the grass field. Please feel free to cheer and support your children in a manner that reflects the ethos of fair play and the presence of children.

It is important that your child is prepared for the weather on that day. Sun hats, sun cream and water are essential. Water will be in supply from the school also. If it is raining and the field is deemed unsuitable for events then Sports Day will be postponed until another suitable day and we will send out a text alert at the earliest opportunity.

I hope you enjoy the event and recognise the commitment to and progress we have made in Sports provision this year.
