

Nursery Learning Letter Term 1- 23.09.16

Meet the Team

Spotted & Striped Owls- Mrs Taylor, Miss Costas and Mrs Collins.

True & Tawny Owls- Mrs Sesay/ Mrs Challis, Mrs Perry and Mrs Rifkhan.

We are also lucky to have Mrs Stapely and Mrs Gogarty working with us during focused group sessions.

If you have any questions, please feel free to ask any of the nursery staff. We are always available to meet after school for appointments. Plus we will be in the classroom at the beginning of the session.

Welcome to Whitehill!

We are really pleased with how the children are settling into Nursery. We know that this can be a difficult transition for yourselves and your children to make and we really appreciate your continued support.

Reading books

We are going to change the children's reading books weekly. This is so the children can read a book several times to become familiar with the stories. If you would like to change the book sooner then please let us know.

Donations

We are setting up mud kitchens in the outdoor area. If you are having a spring clean we would be very grateful for the following items:

- recipe books
- cooking utensils
- pots / pans
- cooking aprons / tea towels
- mugs / bowls / plates / spoons
