

Reception Learning Letter

Term 1 - 23/9/16

Dates for your Diary

Thursday 20th October – Parent Workshop

Friday 21st October – Pyjama Party
(Children can come dressed to school in their pyjamas.)

Parent Workshops are fun sessions where you can come and complete activities with your child. These sessions often link to our topic and are run every term.

We are happy for grandparents, aunts, and uncles etc to come to these sessions if parents can't make it.

Prams

Please can you be considerate of parents with prams at home time. We understand that there isn't a huge amount of room near the reception gate and would be very grateful of your patience and support.

'Owl Time'

The reception children have had a lovely time watching the owls today. The children were fascinated as the owls were flying around the infant hall.

Next week we will be having our 'Meet the Teacher' session after school. This will give you the opportunity to have a look around our reception classrooms and also chat with your child's teacher.

If you have any queries or questions, we are always available to meet after school for appointments.

The children have been working very hard in the classrooms and are very good at following the golden rules.

We have been working on our manners and using these around school and in the classroom. The children are getting much better at saying please and thank you at snack times.

Next Week...

- We will be learning all about shapes and will be using these to create shape owls.
- We will be learning our sounds and working on forming the following sounds: m, d, s, a.
- We will be creating our own owl puppets.
- We will be learning lots of number rhymes and songs.
- We will be using our sounds to draw and describe an owl.

Water Bottles

We will be sending your child's water bottle home each day so it can be washed. Please can you make sure these are in school every day.
