

## Nursery Learning Letter Term 1- 06.10.16

### Donations

Next week we are going to make binoculars and telescopes so we need your clean and washed cylindrical JUNK:

- Toilet rolls
- Pringle pots
- Yogurt pots
- Plastic bottles

We still need items for the mud kitchens in the outdoor area. We would be very grateful for the following used items:

- cooking utensils
- pots / pans
- cooking aprons
- bowls

Thank you so much for your donations so far! We have been overwhelmed by your generosity.

### All about me Bags

Thank you for returning the all about me bags. The children have really enjoyed sharing their favourite things and it has been lovely for the children to get to know each other.

### Learning Diaries

Next week we will be sending home Learning Diaries with the children. These will be a link between home and school and will provide information and photographs about what the children have been up to. They will contain more information about how to use the Learning Diary. Please return these to school by the following Wednesday so that we can update them.

### Upcoming Events

Please keep an eye on the parent noticeboards as they are updated regularly with upcoming events and we are sure you wouldn't want to miss out.
