

Reception Learning Letter

Term 1 - 30/9/16

Owl About Art

In the last week of term we are very lucky as we have another 'owl' visiting our school. 'Owl About Art' will be coming into school to teach us all about owls and create 'owl sock puppets' with us.

Please can you provide your child with a clean and clearly labelled sock that they can use to make their own 'owl sock puppet'.

We would be very grateful if these could be sent into school from next week.

Thank you

Thank you for all your support with our 'meet the teacher' afternoon on Tuesday. It was lovely to meet you all. Don't worry if you couldn't attend, we understand how busy everyone is.

We are always available to meet after school and we also have parent consultation evening on the last week of term.

We try our best to accommodate all parents and understand that for working parents it is hard to attend due to the timings of these sessions.

We have planned all our parent sessions for the year and these are on the school calendar, if you would like further information about these events then please feel free to ask a member of the Early Years Team.

Next Week...

- We will be learning all about repeating patterns and will be using shapes and numicon to create these.
- We will be learning our sounds and working on forming the following sounds: n, p, g and o.
- We will be re-reading the story of Owl Babies again and creating our own story maps to retell the story.
- We will be creating 'owl food' in the mud kitchen.
- We will be exploring water beads and matching these to the numicon.

Dates for your Diary

Thursday 20th October – Parent Workshop

Friday 21st October – Pyjama Party
(Children can come dressed to school in their pyjamas.)
