

09th May 2016

Dear Parents and Carers

Now that the weather is getting warmer, we acknowledge the importance of sun protection and want staff and pupils to enjoy the sun safely over the coming months.

The sun's rays are particularly strong over the summer and they can damage your children's skin.

We would like to encourage children to protect themselves from the sun, by applying sunscreen at the start of the school day. Not all children are at equal risk of sunburn, if your child is at risk and you wish for them to use sunscreen at school, please indicate this below. You are asked to provide sunscreen clearly named and agree to your child using and applying the product by themselves at school.

Please could you also ensure that your child brings in a sun hat and a water bottle also clearly named.

Yours sincerely

Mr Moaby
Headteacher

REPLY SLIP

Child's Name: _____ Class: _____

I will provide my child with a non-aerosol sunscreen for use at school. I understand that they will be applying the product themselves.

Signed: (Parent/carer) _____

Date: _____
