# Whitehill Primary School

9<sup>th</sup> March 2017

Dear Parents/Carers

From September 2017 the Government will be funding 30 hours a week free childcare to children aged three and four years old during school term time.

To be eligible for the 30 hours all parents in the household must be working the equivalent of 16 hours a week either at or above the national living wage or the national minimum wage up to a maximum of £100k a year per parent. For lone parents if that one parent works more than 16 hours and earns less than £100,000 per year they will be eligible.

At present we have no plans to expand our provision to 30 hours, however, it is important to us that we understand the local interest in this government scheme.

Please complete the questions below and return ASAP.

Yours sincerely

**Mrs French**  
**Early Year Phase Leader**
