Dear Parents/Carers

After a year of children 'dabbing' and 'bottle flipping' we have now moved on to a new craze namely the Fidget Spinner. As you may have read in both the local and national press the fidget spinner has been banned in a number of schools.

I feel that as this craze develops momentum it is becoming more and more distracting to learning. I've had to deal with a number of spinners going missing as well as children playing with them in class. Can I please ask that your children do not bring these toys into school.

Yours sincerely

Mr Moaby
