Whitehill Primary School

24th May 2017

Dear Parents and Carers

I wrote to you some time back in March with guidelines about exit procedures one of the points that I made was that a large number of children were staying after school playing on the playground equipment. In school time only specific phases can play on certain equipment and this is strictly supervised. After school it has become somewhat of a 'free for all' and children of all ages are playing on equipment that is not appropriate for them. We have recently had a small number of injuries that have taken place where children have not been supervised by their parent or carer. I am concerned that without this level of supervision, somebody is going to get more seriously hurt.

At the end of the school day can you please make sure that you leave the school site promptly so that we can start our Extra Curricular Activities.

Yours sincerely

Mr Mooby
