

Whitehill Primary School

27th June 2017

Dear Parents and Carers

At the end of this academic year we will be re-organising Year 4. We are also able to do this in Reception and in Year 2. There are several educational reasons for mixing the classes as it will enable us to:

- ✓ Establish a balance of gender in the class
- ✓ Ensure that we have a greater balance of ability
- ✓ Ensure that there is a mix of children with different needs so that we can best meet these needs
- ✓ Increase opportunities for social interaction within the year group

There will be a transition days for the children on Tuesday 11th and Wednesday 12th July to help the children settle in and meet the teacher.

We understand that these changes can initially be overwhelming for the children and we have thought very carefully about the ways we can support the children with this. Can you please support the school and encouraging your child that this is a positive change and they will be rewarded by having an excellent Year 5.

Please feel free to discuss this with your child's class teacher or make an appointment with me directly.

Yours sincerely,

Ms Foster
Head of Years 3 and 4
