Dear Parents/Carers

Year 6 Relationship and Sex Education

As part of our PSHE and Science curriculum Year 6 will be covering personal health, relationship and sex education in a series of sessions.

The sessions consist of units surrounding physical and emotional changes which occur during puberty, human reproduction and the birth and development of babies. The pupils will be sensitively grouped and will watch clips from the Channel 4 Living and Growing DVD, then have an opportunity to discuss and ask questions. The DVD clips have been produced in line with previous government guidance around sex and relationship education, and are aimed at pupils aged 7-11.

Your child may begin to ask questions about the topics described at home, and you may like to take the opportunity to discuss it with your child prior to the school sessions.

If you have any questions or queries about these sessions, please do not hesitate to contact me or your child's class teacher.

Kind regards,

Miss Sarah Higham

Head of Upper KS2

Headteacher: M D Moaby BEd(Hons)
