HAPPY

HELPFUL

HARDWORKING

Whitehill Primary School

4th September 2017

Dear Parents and Carers

Welcome back. It was an absolute pleasure to see many smiling faces and enthusiastic young people coming into school.

Can I thank all parents for making sure that your children came to school this morning in excellent school uniform; they look very smart. Can I remind you as per my letter in July that trainers should not be worn in school (children can change for break-time).

Parents new to KS2 (years 3-6) should pick your child up from the junior school playground. You can wait for your children on the green football surface or from behind the picket fence. This is for the safety of your child.

I have enclosed a School Handbook that contains useful information about the school. This information can also be found on the school website and in particular on the Parents Page of the site (<http://whitehillprimary.kent.sch.uk/parents/>). If you are not able to obtain the information you require, please do not hesitate to discuss any aspects of the school with the office staff or class teacher.

If you require information that directly relates to your child, the class teacher should be the first line of communication. You can communicate with the class teacher via the contact book, meet after school during pick up time or you can arrange a meeting with the teacher at your convenience.

I hope that we can continue to improve and make sure standards are consistently high for our young learners.

Yours sincerely

Mr Mooby
Headteacher
