HARDWORKING

# Whitehill Primary School

16<sup>th</sup> November 2018

Dear Parents and Carers,

As you know we are focused on continuing to move forward as an inspiring and exciting place for children to grow as confident, ambitious and independent learners. As part of this we want to develop our safe and secure environment. I am writing to let you know that as of Monday 19<sup>th</sup> November the access control points will become live to help make the site more secure and to help keep all children in our school community safe.

For the late room please continue to pick up from the multi-function room at the back of KS2 building / off the KS2 playground. From Monday, After School Club will also be picked up from the multi-functional room. For breakfast and Early Bird club please use the current entrance door on the corner of the KS2 building where Mr Male and the breakfast club team will be there to welcome your child at this point.

Thank you for your ongoing support.

Regards,

**Mr Adam Lowing**  
Headteacher

Headteacher: A Lowing
