Dear Parents and Carers

Nursery and Reception Nativity Booking System

This year we are using a new system for parents to book tickets for our Nativity. Tickets for all performances are only available online and are limited to two tickets per family. Reception parents may book for any evening; however Nursery parents should ensure they have booked the appropriate date.

To make a booking, go to www.schoolinterviews.co.uk and follow these simple instructions:

1. Click on 'Make a Booking'
2. For Reception bookings enter the event code: **mzhsn**
3. For all Nursery bookings enter the event code: **qgsac**
4. Enter your details – name, email address, child's name etc.
5. Choose your performance day and number of tickets required

When you click finish, a confirmation email will be sent to you. Please check that you have booked the correct date for your child's performance. If you wish to make any changes, simply re-visit www.schoolinterviews.co.uk from the same device, using the same email address you made the original booking on and using the above codes.

Just a reminder that the nursery performances are as follows:

N30 (30 hour nursery) Monday 17th December at 4.00pm

NLT AM nursery Tuesday 18th December at 4.00pm

NLT PM nursery Wednesday 19th December at 4.00pm

Yours sincerely

Mrs French
