

Class Quote of the Term:
*'It doesn't matter how slowly
you go so long as you do not
stop.'*

Whitehill Primary School

**Year 4 Learning Letter
Term 3**

Maths

- Our focus this term in maths is addition and subtraction. This will include learning about:
 - Multiplication and division using formal methods.
 - Estimating answers
 - Measurement of area
 - Fractions
 - **Times Tables Rockstars**
 - Help your child learn their times tables this term by downloading the app or logging into the website. Please try using the soundcheck section which helps with the speed of recall.

Rippledawn

This term Year 4 are looking forward to their residential trip to Rippledawn. For those who are not going they will be part of a cross Curricular project for those days.

World's Big Questions

Our topic this term is 'Potions'. This is a science based topic studying the magical world of potions and their properties. During this topic we will be basing our writing and activities around the following 'big questions':

- To drink or not to drink?
- Which substances are harmful?
- Is it a solid, liquid or gas?
- Is custard a liquid?
- Surgery without anaesthetic!?
- What's in a bubble?
- Can potions be magical?

Science

With this we will be looking at different sates of matter. This will link with our topic of Potions.

PE

Our indoor Multi-skills and our outdoor PE is Basketball/Netball.

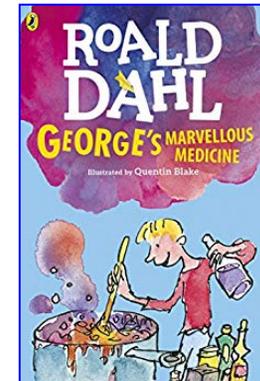

RE

This term will be learning about Hinduism focusing on Janamashtami.

English

Our book this term is 'George's Marvellous Medicine'.

In our English lessons we will be describing characters and settings, writing instructions and creating newspaper reports.

Accelerated Reader

To help your child with their reading this term, please discuss the characters and settings in a story.

Remember to look in your child's Contact Book to see their AR test scores.

Please ensure your child brings in their contact book to school every day.
