

Class Quote of the Term:  
"Every mistake you make is progress."

# Whitehill Primary School

Year 6 Learning Letter  
Term 3

## Maths

In maths we will be studying decimals, percentages, and algebra.

We will look at using the four operations with decimal numbers including the use of money.

We will study how to percentages of numbers and what the link is between fractions and percentages.

In our study of algebra, we will look at missing number problems and then begin to develop our understanding of balancing equations.

## Learning Express

Our year 6 children will be displaying ways of saving the Antarctic around the chooll. Including looking at different ways to save energy and to reduce pollution within the school.

## Welcome to year 6!

Welcome to term 3! This letter will inform you about the learning that is happening in year 6 this term.

## World's Big Questions

Our topic this term is 'Frozen Kingdom'. This topic is based around the Antarctic. We will be learning about what it's like there and what might happen to it in the future.

**What are the differences between the Arctic/Antarctic?**

**What is life like in the Arctic/Antarctic?**

**Who was the first person to go there?**

**What animals live in the Arctic/Antarctic? How are they suited to living there?**

**What would a holiday be like in the Antarctic?**

**What happened to the Titanic?**

**How can we save the Antractic/Arctic in the future?**

## Science

We will be developing our scientific investigative skills, especially evaluating experiments, through our science topic of changing states.

## RE

We will be learning about eternity, what it is and what the different religions think about eternity.

## English

We will be reading the book 'Wolf Brother' by Michelle Paver. This book follows the story of the listener, a lost boy, alone in a forest, who must fight the demon bear and save the world with only his spirit guide to help him.

In writing, we will focus on sentence narratives. We will look at descriptive writing and how to convey character through the use of speech. The children will even get the chance to creat their own characters which we will use to dip in and out of the story and make challenging decisions.

## Accelerated Reader

To help your child with their reading this term, please encourage them to read every night and to make predictions as they are reading.

*Please ensure your child brings in their contact book to school every day.*

## PE

For PE this term our outdoor PE will be taught by our PE specialist Mr Foreman. Indoor PE will focus on multi-skills.
