

Class Quote of the Term:
"Embrace your inner
superhero"

Whitehill Primary School

Year 1 Learning Letter
Term 5

Maths

Our topics in maths will be place value to 50 and measurement.

We will cover the following learning objectives:

To compare lengths and heights and measure using standard and non-standard units

To compare capacity and volume
Multiplication and Division including 2s, 5s and 10s

Number Fractions - Halves and quarters

Happy holidays!

We hope you all have a restful half term and are ready for some action packed learning.

World's Big Questions

Our topic this term is 'Superheroes'. This is a PSHE based topic studying heroes.

We will be learning the answer to the questions:

What is a superhero?

Can you rescue someone from a villain?

Can real people be superheroes?

How can I make myself a real life superhero?

Can you become an environmental superhero?

Science

Investigation: Can you be a superhero?
Our senses and materials

PE

Rounders and gymnastics

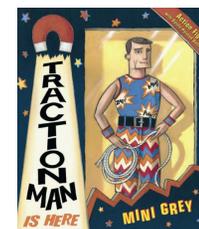

RE

Judaism

English

This term we will be reading 'Traction Man is Here' by Mini Grey about an action hero and his daring rescues.

We will be focusing on character description and writing in different forms. We will continue to focus on using capital letters, finger spaces and full stops in all of our sentences and using powerful and imaginative vocabulary.

Half Term Challenge

Can you make a superhero scene from a shoebox, cereal box or cardboard box?

We would like to display these in our classes and use them for role play to develop our writing.

Learning Express

We will have a superhero day at the end of term to celebrate our learning. The children will get a chance to dress up as a superhero and make their own costume accessories.

Your child will bring a reading book home with them every night. To help your child with their reading this term encourage them to use phonics as the primary way of decoding a word by saying the sounds then blending them together to read unknown words. Encourage them to re-read books before they change them to help build their fluency and accuracy. Please ensure your child brings their contact book into school every day as well as their reading books so they can practice reading in class too.

We have PE every week so please make sure your child has an indoor and outdoor PE kit in school all week.
