

Quote of the Term:  
"No mountain is too high,  
together we can reach for the  
sky!"

# Whitehill Primary School

Year 3 Learning Letter  
Term 6

## Maths

In Maths this term, we will be learning about:

- Properties of Shape
- Measuring – Mass and Capacity
- Time

Please help your child(ren) to practise telling the time at home throughout the day. This really helps by learning time in a real life context.

## Times Table Rockstars

Please continue to encourage your child to do their times tables at home using their log in for Times Table Rockstars. There is a certificate awarded for the most improved each week. Can you win a certificate?

## Learning Express

Our learning express this term will be challenging ourselves to create a 3D model of a river, showing the various parts.

## Welcome back!

We hope you had a lovely half term break and that your children are refreshed and ready to learn in our last term together in Year 3.

## World's Big Questions

Our topic this term is 'Flow'. This is a Geography based topic, where we will be exploring how rivers are formed and where in the world the longest rivers can be found.

Here are some of the questions we will be attempting to answer:

*"How are rivers formed?"*

*"Where in the world is the longest river?"*

*"How does the water cycle work?"*

## Science

Our scientific enquiry unit this term is based on plants and how they grow.

## PE

In PE we will be practicing our athletic and multi skills in preparation for our Sports day events.

Please ensure that PE kits are in school everyday.

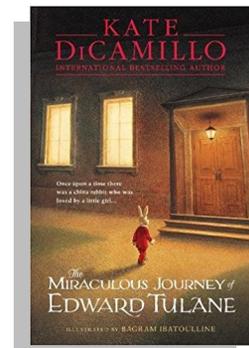

## RE

We will be exploring Christianity and the dedication of Christian followers of Jesus.

## English

Our book this term is 'The Miraculous Journey of Edward Tulane'.

In our English lessons we will be writing in role (as Edward Tulane) as well as using inference and deduction to predict future events in the text. We will be focusing on improving and developing sentences by increasing our vocabulary.

## Accelerated Reader

Your child should be bringing their reading book into school every day and taking it home again each evening. Please continue to support them by hearing them read and talking to them about the things they have read.

Remember to look in your child's Contact Book to see their AR test scores.
