

Nursery Learning Letter

Term 6 – 7/6/19

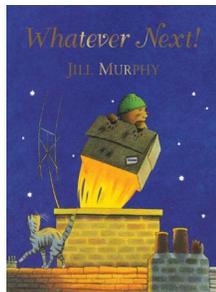

This Week

This week we have launched our new topic of 'Space'. On Monday there was a mess in the garden when we went to investigate we found a box, some wellington boots, a colander and a picnic blanket. Then we read our new story 'Whatever Next'. We discovered the items weren't what they seemed and they were actually for an imaginary journey to space!

We have been:

- Practising writing our names on an astronaut.
- Making number track rockets.
- Making marble effect planets.
 - Retelling the story.
 - Counting moon rocks.
- Making patterns in the moon sand.

Next Week

Next week we will be continuing the story 'Whatever Next'.

- Making rockets using shapes.
- Making rockets using bottles.
- Ordering and retelling the story.
 - Making a picnic using playdough.
- Using magnetic letters to spell our names.

Sun Cream and Hats

As the weather is getting warmer, we would be grateful if you could send your child in with a hat and a bottle of named sun cream. We will be asking you to sign a document agreeing that you are happy for the nursery staff to apply the sun cream although we will be encouraging the children to do this themselves.

Transition Meetings

As this is our final term we have lots of transition events coming up to support your child to transition to the next year group. These will also provide you with lots of information about Nursery and Reception.

For children who are moving to Reception next year there is a transition meeting on **Thursday 13th June at 4:00pm** in the main hall. Please enter through the main office.

For children who are staying in Nursery next year there is a transition meeting on **Friday 21st June at 4:00pm** in the main hall. Please enter through the main office.

These meetings will provide you with information about Nursery and Reception and a tour around the classrooms will be provided.

Donations

We are making rockets and telescopes. Please could we have any clean empty plastic bottles or toilet rolls.

Thanks.
