

# Nursery Learning Letter

## Term 1 – 14/6/19

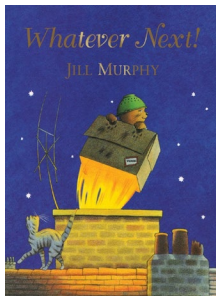

### This Week

This week we have been reading the story of 'Whatever Next'

We have been:

- Making our own rockets.
- Ordering the story.
- Making shape rockets.
- Retelling the story.
- Having a bears picnic on the moon.
- Ordering numbers on a rocket.

### Transition Meetings

As this is our final term we have lots of transition events coming up to support your child to transition to the next year group. These will also provide you with lots of information about Nursery and Reception.

For children who are staying in Nursery next year there is a transition meeting on **Friday 21st June at 4:00pm** in the main hall. Please enter through the main office.

These meetings will provide you with information about Nursery and a tour around the classrooms will be provided.

### Next Week

Next week we will be reading the story 'The way back home.'

We will be:

- Making our own spaceships.
- Making rocket fruit skewers.
- Writing a list of what we would take to space.
  - Retelling the story.
- Counting spacemen and matching them to the correct rocket.

### Stay and Plays

Next week the stay and play sessions will begin for children moving to Reception in September. This is the chance for you and your child to meet their new teacher and explore their classroom.

Each child has been given two sessions for you to attend with them. We will put lists up in the Nursery if you are unsure of when these are. If your child is usually in Nursery during this time then we will take them to their new classroom where you can meet them.

The Reception teachers are really looking forward to meeting you all!

### Dates for the Diary

**Friday 21st June**- Nursery Transition Meeting – 4pm in the main hall.

Sports Day- **Thursday 11th July** times to follow
