

# Nursery Learning Letter

## Term 1 – 21/6/19

### This Week

This week we have been reading the story of 'The Way Back Home'

We have been:

- Using our phonic knowledge to write a list of things we would take to space.
- Threading fruit onto skewers to make 'rockets' and describing what they taste like.
- Making flying saucers using paper plates.

### Transition sessions

Each child who is coming to Reception at Whitehill in September is invited to attend two stay and play sessions with a parent. These are on specific dates that you should have received. If you are unsure of which dates please ask your child's Nursery teacher. If your child is at nursery during this time you do not need to pick them up to take them you can meet them in their Reception class.

Each child is also invited to attend a transition day, this is just for the children. If your child is already at Nursery during this time you do not need to do anything, Nursery staff will take them to their new classroom. If your child is not at Nursery please drop them at the Reception gate at 9.30 and collect them at 11 am on their transition day.

### Next Week

Next week we will be continuing to read the story 'The way back home.'

We will be:

- Making passports to take into space.
- Estimating how many stars we can see and checking how many there are by counting them.
- Making Aliens using our handprints.
- Fixing our spaceship that has broken down.
- Designing rockets.

### Sports Day

On Thursday 11<sup>th</sup> July we have our Nursery Sports day (weather permitting). On this day children should come to Nursery wearing their sports kit; a coloured t-shirt, black/blue shorts and trainers or plimsolls. If the weather is warm they will also need to come to Nursery wearing sun cream and a sun hat.

You are welcome to come and watch the session that your child is taking part in. If your child is in the 30 hour Nursery please choose ONE session to come and watch your child. Please enter the school through the main gate as sports day is on the field.
