

Reception Learning Letter

Term 6 - 07/06/19

Our book this week and next week

is.....

Whatever Next
by Jill Murphy

Space Party Change of Date

Due to a shorter school day on Thursday 25th July, we have moved the Space Party to Wednesday 24th July. This will give the children more time to enjoy their space party activities.

Dates for your Diary

Wednesday 24th July - Space Party

Thursday 25th July - Last day of the school year. The school day finishes at 13.45.

This week...

- There was a visitor in the hall. We were detectives and wrote who we thought visited.
- We wrote rocket safety posters for the bear.
- We looked at the similarities and differences between our past and present photos (baby and now).
- We wrote a list of items we found in the space water.
- We found one more and one less wellie boots for the bear.
- We found the alien words and made them into a silly sentence!

Parent Workshop

The children enjoyed our final parent workshop of the year! We enjoyed making different space themed activities. Thank you to all of the parents who have supported these throughout the year.

Nursery Mud Kitchen

Nursery have planted seeds in their mud kitchen. Please can you remind your child/ren to not play in the mud kitchen at the beginning and end of the school day, thank you.

Next week....

- We are having a picnic on the 'moon'.
- We are finding money and numbers in the space rocket and adding them together.
- We are building a repeating pattern rocket.
- We are writing a story about where the bear will go next.
- We are writing a list of what we would take to the moon.
- We are designing and painting a new planet picture.
