

# Reception Learning Letter

## Term 6 - 14/6/19

Our book this week....  
Whatever Next by Jill Murphy

Our book next week....  
The Way Back Home by Oliver

Jeffers

### PE Kits

Please can you ensure your child's PE kit is in school for the week beginning 8<sup>th</sup> July to ensure they are correctly dressed for Sports Day.

### Dates for your Diary

Friday 12<sup>th</sup> July - Sports Day  
Wednesday 24<sup>th</sup> July - Space Party  
Thursday 25<sup>th</sup> July - Last day of the school year. The school day finishes at 13.45

### This week...

- We enjoyed a picnic on the 'moon'.
- We found money and numbers in the space rocket and added them together.
- We built a repeating patterned rocket.
- We wrote a story about where the bear will go next.
- We wrote a list of what we would take to the moon.
- We designed and painted a new planet picture.

### Water Bottles and Sun Hats

As we hopefully will be getting warmer weather, please ensure your child brings a named water bottle and sun hat to school.

### Space Party Change of Date

Due to a shorter school day on Thursday 25<sup>th</sup> July, we have moved the Space Party to Wednesday 24<sup>th</sup> July. This will give the children more time to enjoy their space party activities.

### Next week...

- We have a special box being delivered to our class! We are writing a list of what we found in the box.
- We are making a moon monster and writing a description about it.
- We are reading instructions on how to help fix the aeroplane.
- We are making a star number line.
- We are subtracting the planets by counting back.
- We are finding money in the space sand and adding the totals.
