

Nursery Learning Letter

Term 6 – 5/7/19

This Week

On Monday when we arrived at Nursery we found a star. We thought of ways that we could catch it. Then we read the story 'How to catch a star.'

We have been:

- Writing our name on rockets.
 - Throwing the correct amount of Beanbags onto numbered stars.
 - Decorating stars.
- Exploring the space goo to match sounds to objects.
E.g. d - dog.
- Fishing for numbers.

Sports Day

On Thursday 11th July we have our Nursery Sports day (weather permitting). On this day children should come to Nursery wearing their sports kit; a coloured t-shirt, black/blue shorts and trainers or plimsolls. As there is limited shade the children will need a sun hat.

You are welcome to come and watch the session that your child is taking part in. If your child is in the 30 hour Nursery please choose ONE session to come and watch your child.

Please enter the school through the main gate as sports day is on the field. There will be a list on your classroom doors of which house your child belongs to. This is the colour top that your child needs to wear on the day.

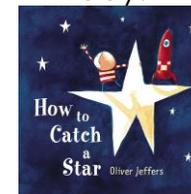

The colours will either be Blue, Green, Yellow or Red.

Next Week

Next week we will be continuing to read the story 'How to catch a star.'

We will be:

- Reflecting on our learning and talking about what we like best in Nursery.
- Making rockets and launching them using straws.
- Making repeating pattern rockets.
- Drawing pictures using chalk.
- Practising our cutting skills.
- Practising activities for sports day.

Warm weather

As the weather has been a lot warmer recently please can you make sure that your child wears a sun hat to Nursery every day. They will also need to wear suncream. We are happy to apply this if you do not have time, as long as you have given permission.

Dates for the Diary
