

Reception Learning Letter

Term 6 - 5/7/19

Our book this week and next week is...

How to Catch a Star by Oliver

Jeffers

This week...

We visited our new teacher and classroom.

We drew and wrote about our new teacher.

We drew and wrote about ourselves for our new teacher.

We talked about how we are feeling moving to Year 1.

We made stars and measured their length.

We wrote about how we would catch a star.

We painted our own stars and planets.

Head lice!

We have several cases of head lice across Reception. Please can you check your child's hair, thank you.

Sports Day

We have our annual Sports Day on Friday 12th July at 10.00.

We invite you to come and support your children. Can we ask that children come into school already in their PE kit. They should wear their PE tops with their house colours.

Please ensure that your child is prepared for the weather on that day. Sun hats, sun cream and water are essential. Water will be in supply from the school also. We look forward to seeing you there!

Dates for your Diary

Friday 12th July - Sports Day
Wednesday 24th July - Space Party
Thursday 25th July - Last day of the school year. The school day finishes at 13.45

Next week...

- We are writing what we enjoyed learning this year.
- We are writing what we are good at and what we need to get even better at.
- We are adding and subtracting the stars.
- We are estimating how many drops of 'fuel' will fill up the different sized rockets.
- Catching different shaped stars and using mathematical names and language to describe them.
- Reading instructions on how to make a star.
- Taking part in Sports Day.
